Speaker

Faith entertained and enthralled us with a presentation on handwriting analysis. She picked a few guinea pigs from the audience and demonstrated some of the fascinating insights you can glean into someone's personality from their handwriting. It's a wonderful skill to have both as a business person or an employer.

Kirsty reminded members, on behalf of Brenda, that they can sign up for a free half hour marketing consultation with Critical Edge Marketing. Sid said he had done it, and it was incredibly helpful.
