We did not have a mini speaker this meeting; the extra time was given to each member to expand on promoting their business.

Our member speaker was Dr. Paul Semadeni, our very own Chiropractor.

Dr. Paul gave us an informative talk covering many topics with examples of what he sees and how he helps people with the different issues they have to deal with. If you like pain, he can dish it out in many ways. Many of the members have used Dr. Paul's services and he comes highly recommended.

Our next meeting is a business meeting and also our last meeting before the summer break. As this is a business meeting, no guests please.
